

## Why settle for generic training or "off the rack" development experiences when you can have one customized for your team?

Learning & Development experiences with Dr. J pump up your team's potential and equip your people for the next level. He targets your specific interests and needs. So, his seminars and **workshops hit the mark.**

Dr. J prepares leaders and teams for **real-world challenges and opportunities.** His training is focused on results, and he equips participants with insights and strategies they can put to work immediately. This makes the experience **unusually practical and pertinent,** and the lessons **more enjoyable and enduring.**

Dr. J is committed to meeting his clients' needs and to preparing them for their unique challenges and opportunities. As a result, they consistently give him five-star reviews, and top teams in corporate, non-profit, military, and government contexts depend on Dr. J's contributions to maximize their culture, engagement, and performance.

# Dr. Andrew Johnston unlocks the potential of people and teams.

Dr. J is the hip professor you always wanted. He's an expert on leadership and organizational development, but he "gets" you. He connects with you, encourages you, and makes you better every time you meet.

As a trained counselor and seasoned leader, Dr. J understands what makes people and teams tick and what it takes to make them the best they can be. He knows how to engage them so they laugh, lean in, and leave the encounter ready to make the most of the opportunities and relationships in their world.
